● **THE UVICELL CENTER** is not only dedicated to furthering the education of career-minded individuals, but excelling at doing so. Since 2002, UVICELL has provided professionals and businesses with the best education and training opportunities possible. Our innovative programs are ideal for career-changers, professionals seeking advancement and those new to the work environment. Our focus is to provide students with the skills, knowledge, and competencies that employers are increasingly seeking.

In addition, UVICELL works with the private sector, government agencies and non-profit organizations to help them succeed in today's challenging market.

● ORGANIZATIONAL SOLUTIONS

Customized Training Solutions The UVICELL Center delivers top-notch instruction and training programs to public, private and non-profit entities. UVICELL can play a vital role in the success of your organization by developing interactive and practical programs that are adapted to the specific requirements of your workplace and training needs. For convenience, courses can be on-site at your place of business, at the CELL Center or another location of your choice. Our flexible approach to customized training allows for day, night, weekday or weekend classes that best suit your needs.

Consulting & Professional Services UVICELL provides solutions to real-world organizational challenges through a one-stop consultancy center. Whether you need solutions in organizational development, management consulting, project management, or conference and event management, take advantage of the University's wealth of knowledge, resources and respected experts. We'll work with you and your team to understand the goals and culture of your organization and develop solutions will help your organization grow and succeed.

OSHA Consultation Free consultations are available for small businesses through the Safety in Paradise (SIP) Program. The SIP program provides employers with confidential consultation services and valuable resources that assist in establishing and maintaining safe and healthy workplaces. The program is independent of federal or local OSHA enforcement and is a voluntary activity. For more information, contact the UVICELL Center at 693-1100 today.

● QUALITY PROGRAMS

American Management Association (AMA) Certificate Programs UVICELL has partnered with the AMA, the most recognized name in management training, to provide you with skills that translate into productivity and career growth. Earn widely recognized credentials and Continuing Education Units (CEUs).

Accreditation UVICELL is an authorized provider of the International Association for Continuing Education and Training (IACET). As an authorized provider, UVICELL can grant IACET Continuing Education Units (CEUs), an internationally recognized measure of quality in continuing education and training programs.

American Council on Education (ACE) The American Council on Education's College Credit Recommendation Service (ACE CREDIT) has evaluated and recommended college credit for a number of UVICELL courses. The American Council on Education is the major coordinating body for all the nation's higher education institutions. ACE CREDIT helps adults gain access to academic credit at colleges and universities for formal courses and examinations taken in the workplace or other settings outside traditional higher education.
